

SCATTER TUBES

The eco-friendly choice

Scatter tubes are a modern alternative to traditional wooden ashes caskets. They offer flexibility and choice in how best to commemorate loved-ones. Easy to use for scattering ashes, the scatter tube range allows greater freedom of choice when deciding the best way to preserve, protect and remember someone close.

Our Scatter Tubes are created from over 90% recycled materials and are 100% biodegradable, making them very environmentally friendly, and a truly biodegradable choice.

- *Easy to use*
- *Suitable for burial*
- *Large range of sizes & designs*
- *Suitable for multi-scattering*
- *Bags for scatter tubes available in white, green, blue, burgundy, and recycled card.*

the Meadow range

An alternative concept for our Scatter Tube collection, depicting watercolour impressions of Wildflowers and Forget-Me-Nots.

Either of these Scatter Tubes can include an optional matching card and seed packet. They are designed to create a lasting and growing tribute to a much missed loved one.

These two designs also have a new and handy pocket-size Scatter Tube uniquely available to them.

A planting helpsheet is available on our website.
