

SCATTER TUBES

The eco-friendly choice

Scatter Tubes are a modern alternative to traditional wooden ashes caskets. They offer flexibility and choice in how best to commemorate loved-ones. Easy to use for scattering ashes, the Scatter Tube range allows greater freedom of choice when deciding the best way to preserve, protect and remember someone close.

Our Scatter Tubes are created from over **90% recycled materials** and **are 100% biodegradable**, making them very environmentally friendly, and a truly biodegradable choice.

THE MEMORIAL PAPERWEIGHT

The Memorial Paperweight is a daily reminder of a special person to have and to hold in your home. The design represents a spiritual embrace, the ashes and coloured glass crystals entwined together in a display of mystery and harmony. The Memorial Paperweight will remind you that your loved one is alive in your heart.

Your paperweight will be delicately engraved underneath with your own personal message. This could be a cherished phrase, a line from a favourite song or a more traditional message such as your loved one's name and dates of life.

You have a choice of five classic colours.
